

# Florida Future Problem Solving Program 2010 State Conference

Radisson Resort at the Port ■ Cape Canaveral, FL ■ April 11-14, 2010

[www.flfp.org](http://www.flfp.org)

**Florida Future Problem Solving Program (FLFPSP)** is pleased to invite your organization / corporation to showcase your resources and to engage notable youth leaders at the **Community Problem Solving (CmPS) Exhibitor Fair** during the **2010 Florida Future Problem Solving State Conference**. Future Problem Solving is a non-profit, educational organization that provides problem solving activities for over 250,000 students in the United States and eleven other countries annually.

Participation affords you the opportunity to meet, share resources and discuss collaborative opportunities in problem solving, with approximately 1,000 students, parents and teachers from the State of Florida. **Future Problem Solving** stimulates critical and creative thinking skills while encouraging students to develop a vision for the future, empowering them to solve global challenges – this year's Global Issues Competition topic is **Food Distribution**.

**For more information about becoming an exhibitor or sponsor, contact Janet Reilly 386-569-1262.**
