## State Scenario Winners 2010

"We cannot always prepare the future for our youth, but we can prepare our youth for the future."  
 - FDR

Thank you for inspiring your student(s) to use their creative problem solving skills to create amazing scenarios. This year's entries included **12 Senior, 20 Middle, and 50 Juniors** scenario submissions. **All were stellar.** Each student received at least 2 evaluations. IB/AP English/Language teachers evaluated final rounds for all divisions. The best of the best will represent Florida at IC this year.

*In accordance with IC guidelines*, the first 3 places in each division are submitted to IC for consideration. The 1<sup>st</sup> place state winner in each division attends the International Conference, and the 2<sup>nd</sup> and 3<sup>rd</sup> places will wait for an invitation pending IC evaluations. News of 2<sup>nd</sup> and 3<sup>rd</sup> place invites to IC will come in late April. **First place winners are invited to read a small passage from their award winning scenarios at our Opening Ceremony on April 11, 2010.**

Please tell your students that their *works of art* are incredible! Thank you for your support of this program. Results follow.

### Senior Division
