

NEW T-Shirt Contest!

FLFPSP is holding a brand new t-shirt contest! Want to see your design on everybody's back during the 2012 Florida Future ProblemSolving Program Competition?

Send your original design and motto for consideration in the new contest. In the past, students have rhymed the motto with the year. This is the year 2012 and it just isn't necessary to have your motto rhyme with the year! Think creatively! Think futuristically! Have fun! Go for the new prize that is offered the winning design!

Prizes for the winning design include: A Gift Card to the FPS Store, a free invitation to the state competition (\$30 fee waived), a free t-shirt with your design for you and your coach!

**Design submission deadline is
JANUARY 13, 2012**

Send your 8 X 10 design as a black and white line drawing to:

Mary Krause

2155 Emerson Dr. SE

Palm Bay, FL 32909

(Brevard county can use school courier to Westside Elementary School)
